## ENVIRONMENTAL SERVICES

### 330.4 CONTRACT RE COLLECTION AND PROCESSING OF WEEE

The 3 NI Waste Management Groups have come together in order to determine the most beneficial Producer Compliance Scheme (PCS) for Councils to enter into an agreement with for the collection and processing of household WEEE from Designated Collection Facilities (DCF) under council control.

The tender report was circulated to Members.

***IT IS RECOMMENDED*** that Council enter into an agreement with ERP (European Recycling Platform) for the provision of the collection and processing of household WEEE from its two Designated Collection Facilities for one year from 1<sup>st</sup> July 2007 with the option of 6 monthly extensions until the final period 1<sup>st</sup> July to 31<sup>st</sup> December 2009.

It was proposed by Councillor Kennedy, seconded by Alderman Connolly and **AGREED:**

***to recommend that Council enter into an agreement with ERP (European Recycling Platform) for the provision of the collection and processing of household WEEE from its two Designated Collection Facilities for one year from 1<sup>st</sup> July 2007 with the option of 6 monthly extensions until the final period 1<sup>st</sup> July to 31<sup>st</sup> December 2009.***

### 330.5 CONTRACT (FRAMEWORK AGREEMENT) FOR WEEE CONTINGENCY ARRANGEMENTS

The 3 NI Waste Management Groups have come together in order to establish contingency arrangements for the collection and processing of household WEEE from Council Designated Collection Facilities.

The tender report is to be found as Appendix 1 (page 18) to this report.

***IT IS RECOMMENDED*** that Avenue Recycling, Natural World Products, Shore Recycling and Tech Rec be awarded inclusion on the framework agreement to supply suitable services associated with contingency arrangements for the collection and processing of household WEEE from Designated Collection Facilities (DCF) operating under the control of the Council, in the event that the Council is unable to secure an agreement with a Producer Compliance Scheme

(PCS) for any of its separately collected household WEEE. It would also apply in cases whereby the PCS has not been able to fulfill its obligations under any agreement duly made. The duration of the framework agreement shall be for one year from 1<sup>st</sup> July 2007 with the option of 6 monthly extensions until the period 1<sup>st</sup> July 2009 to 31<sup>st</sup> December 2009.

At the request of Alderman Simpson, the Director clarified the proposed recommendation, stating that four companies, as listed, have been identified to go on the framework agreement for the removal of five categories of WEEE listed. The framework agreement sets out how the business will be conducted. All cost incurred by Council will be fully recoverable.

It was proposed by Councillor Kennedy, seconded by Alderman Cousley and **AGREED:**

***to recommend that Avenue Recycling, Natural World Products, Shore Recycling and Tech Rec be awarded inclusion on the framework agreement to supply suitable services associated with contingency arrangements for the collection and processing of household WEEE from Designated Collection Facilities for one year from 1<sup>st</sup> July 2007 with the option of 6 monthly extensions until the period 1<sup>st</sup> July 2009 to 31<sup>st</sup> December 2009.***

The European Communities Act 1972  
The Children and Young Persons (Protection from Tobacco) Order NI 1991  
The Tobacco Advertising and Promotion Act 2002  
The Smoking (Northern Ireland) Order 2006, specifically Article 11(2)

The officer duly named in this paragraph shall be duly authorised under section 124 of the Local Government Act 1972 to authenticate notices, orders or other documents arising from the above powers and duties and indemnified as provided for by section 48 of the said Act.

At the request of members, the Director advised that Mr Sheerin will be placed with Coleraine Borough Council but will have a base in Riada House when undertaking work on behalf of the Borough.

It was proposed by Councillor Stevenson, seconded by Councillor Kennedy and **AGREED:**

***that Stephen Sheerin be appointed to exercise all the powers of an authorised officer in respect of the duties outlined above.***

## EMERGENCY PLANNING

### 330.18 BACKGROUND

The first-hand experience of Councils, the emergency services and other statutory agencies in responding to local emergencies has clearly demonstrated the need to plan for such events. This was vividly illustrated during the recent localised flooding incidents across the province and a major fire in a neighbouring council area resulting in the evacuation of a number of families from their homes.

An emergency is defined as an event or situation:

which threatens serious damage to human welfare or the environment within a council area; and to which the council cannot respond without changing the deployment of its resources or acquiring additional resources.

As regards the latter, "changing the deployment of its resources" would include, for example, Council becoming involved in the co-ordination of responses to an emergency, a council facility being used as a rest centre or council staff assisting other organisations with their emergency responses. Councils will not normally become involved in small-scale local incidents for which other organisations have responsibility and can deal with themselves using their own resources and operational arrangements.

The role of District Councils as regards civil protection is contained in Article 29 of the Local Government (Northern Ireland) Order 2005 which was brought into force by a commencement Order on the 1<sup>st</sup> April 2006.

#### **Summary of Article 29 Local Government (Northern Ireland) Order 2005**

##### ***Paragraphs (1) – (3)***

The discretionary powers contained in paragraph (1) of Article 29 enable Councils to make emergency planning arrangements, or make arrangements with other bodies or persons (including Councils), for reducing, controlling or mitigating the effects of any emergencies that might occur. Paragraph (2) provides that those arrangements may in particular include arrangements for co-operating with other bodies and for co-ordinating the activities of Councils with the activities of others. Paragraph (3) enables Councils to implement their arrangements should emergencies occur and take any other measures they think are appropriate to reduce, control or mitigate the effects of emergencies.

The primary way in which Councils might make arrangements for reducing, controlling or mitigating the effects of emergencies is through the preparation of emergency plans. The powers to make arrangements in paragraphs (1) and (2) of Article 29 enable Councils to prepare emergency plans, either by themselves or in co-operation with other organisations. The powers also enable Councils to prepare protocols and agreements with other organisations, to maintain registers of resources (e.g. vehicles, plant, buildings, etc) and to initiate and participate in multi-agency training and exercises in relation to emergency planning.

As indicated above, paragraph (3) of Article 29 enables Councils to implement their arrangements (i.e. emergency plans, protocols, etc.) should emergencies occur and take other steps they think are appropriate for reducing, controlling or

mitigating the effects of emergencies. The latter permits Councils to take action beyond their initial immediate responses to emergencies, i.e. secondary responses such as providing information to their communities or operating disaster appeal funds, if Councils consider that such responses are appropriate.

In making emergency planning arrangements, there is **no requirement** for Councils to:

- prepare emergency plans aimed at preventing all possible emergencies from occurring in their areas; or
- prepare emergency plans for emergencies outside their areas; or
- undertake remedial works in respect of functions for which they are not responsible (e.g. the construction of river drainage works).

#### **Paragraphs (4) and (5)**

Paragraph (4) requires Councils to have regard to Departmental guidance when planning for, and responding to, emergencies.

#### **Paragraphs (6) – (8)**

There will be occasions when specific responsibility for overseeing certain local emergencies will fall to NI departments other than the Department of the Environment. For example, the lead department would be the Department of Health, Social Services and Public Safety if there was an outbreak of a communicable disease such as SARS (severe acute respiratory syndrome) or the Department of Agriculture and Rural Development if there was an outbreak of an epizootic disease such as foot-and-mouth disease. In such instances, paragraph (6) of Article 29 gives the department concerned the power to make an order (i.e. subordinate legislation) conferring new functions or duties on Councils to assist in the prevention or control of the emergency.

Paragraph (7) of Article 29 requires that, before making an order, the department concerned must lay a draft of the order before the Assembly for approval.

Paragraph (8) of Article 29 enables an NI department to issue guidance to Councils in relation to any new functions which are conferred on them by the making of an order by that department under paragraph (6) and Councils must have regard to the guidance in carrying out those functions.

#### **Paragraphs (10) – (12)**

Paragraph (10) of Article 29 enables the Department to pay grants to Councils or other persons for emergency planning. Such grants cannot be paid without the consent of the Department of Finance and Personnel (paragraph (12) of Article 29) and will be of such amounts, and subject to such conditions, as the Department may determine (paragraph (11) of Article 29).

The payment of such grants under this article is dependant on the adoption of Article 29. In order to avail of funding from the Department of Environment to defray expenses on Emergency Planning preparations, **IT IS RECOMMENDED** that Council resolves to adopt the powers contained in Article 29 of the Local

Government (Northern Ireland) Order 2005, and furthermore in exercise of its powers under Section 47A of the Local Government Act 1972 as amended by Article 26 of the Local Government (Miscellaneous Provisions) (NI) Order 1985 that Council hereby delegates to the Chief Executive or his nominee to exercise the delegated powers or duties under Article 29 of the Local Government (NI) Order 2005.

The Director responded to members' questions advising that the adoption of powers as highlighted would permit the opportunity of applying for funding by way of grant aid from the Department to supplement Council's own budgeted resource for this purpose.

It was proposed by Councillor McCamphill, seconded by Councillor Kennedy and **AGREED:**

***to recommend that Council adopts the powers contained in Article 29 of the Local Government (Northern Ireland) Order 2005, as detailed above and furthermore, delegates responsibility for putting in place, arrangements to respond to emergencies on behalf of Council, to the Chief Executive or his nominee.***

\* **Councillor McGuigan and Councillor Stevenson left the meeting at 8.10 pm.**

#### **Ballymoney Borough Council Emergency Plan (not for publication)**

Further to the above and prior to the recent incidents cited, the Borough Services Directorate has prepared an Emergency Plan for Council to aid response in the event of such an occurrence within the Borough.

When a local emergency occurs, Council may have to respond in a number of ways:

- it may have a direct response to make in relation to its own functions - for example, Environmental Health may be involved in an outbreak of a communicable disease;
- other organisations may request Council to help in the provision of manpower, buildings or equipment - for example, the use of council premises as a rest centre;
- Council may have to co-ordinate a multi-agency response to the emergency - in consultation with the Police Service of Northern Ireland (the PSNI) or other lead organisation - and co-ordinate the actions of public services in recovering from the emergency and restoring the local community to normality; or
- it may need to maintain some or all of its services to the public at an appropriate level, despite disruption and the possible redeployment of staff.

A generic Emergency Plan has been prepared and includes arrangements for the above responses. It has been prepared in accordance with good practice guidance issued by OFMDFM central Emergency Planning Unit and the Civil Contingencies

Secretariat of the Cabinet Office. Further specific plans are currently being prepared for particular risk situations. The plan was circulated to members and contains

- general information, including a brief overall description of the plan, its purpose and who will be accountable for the preparation and maintenance of the plan;
- the roles and responsibilities of the council and other organisations likely to be involved;
- communications arrangements, both within the council and between the council and other organisations;
- co-ordination arrangements, both within the council and between the council and other organisations;
- activation arrangements, including how an emergency situation will be identified, alert procedures and standby arrangements;
- the actions to be taken by council staff;
- arrangements for appropriate officers to attend relevant training seminars/courses on emergency planning and for appropriate staff to be trained in their roles as provided for in the council plan;
- reporting arrangements to the Department's Local Government Division.
- guidance on dealing with media enquiries.
- arrangements for supporting staff during and after the emergency, including health and safety and welfare arrangements;
- arrangements for standing down Council involvement in the recovery process and, where the Chief Executive has been facilitating it, the multi-agency co-ordination mechanism; and
- arrangements for validating, reviewing and revising the plan.

Funding to provide such a service will be met out of the Councils own resources together with grant aid presently available from the Department of the Environment. Should there be a need for Council to respond in the event of an emergency then costs will be refundable from the Department.

***IT IS RECOMMENDED*** that Council adopt and implement the Ballymoney Borough Council Emergency Plan following negotiated agreement with officers to provide necessary implementational services.

The Director advised members that the plan would be shared with other statutory agencies. Further supplements are to be prepared to address specific risk situations.

It was proposed by Councillor McCamphill, seconded by Alderman Connolly and **AGREED:**

***that Council adopt and implement the Ballymoney Borough Council Emergency Plan following negotiated agreement with officers to provide necessary, implementational services.***

## **HOME SAFETY**

### **330.19 BE STREETWISE/BEE SAFE 2007**

This event was held from 21<sup>st</sup> – 25<sup>th</sup> May 2007 in the Parish Centre, Queen Street, Ballymoney. As in other years, P7 children were put through safety scenarios set up by HAP Ballymoney, Environmental Services, PSNI, Health Visitors, Fire & Rescue Service, DPP, Translink, NIE, Coastguard and students from the Ballymoney Campus of Causeway Institute. Northern Ireland Fire and Rescue Service also gave a chip pan fire demonstration.

Some 240 children attended the event and feedback has been very positive.

Permission is sought to make the usual donation to St. Patrick's Parish Church as the Councils contribution to the running of the event.

***IT IS RECOMMENDED*** that Council contribute £150 to St. Patrick's Parish Church, in respect of the use of the Parish Centre for Be Streetwise/Bee Safe 2007.

It was proposed by Alderman Campbell, seconded by Councillor Patterson and **AGREED:**

***to recommend that Council contribute £150 to St. Patrick's Parish Church, in respect of the use of the Parish Centre for Be Streetwise/Bee Safe 2007.***

## **STREET TRADING**

### **330.20 STREET TRADING ACT (NI) 2001 MOBILE STREET TRADING LICENCE**

Application for a Mobile Street Trading Licence has been made to this Department as follows:-

**Purpose**

Hot Food Takeaway

**Applicant**

Mr Mervyn Hutchinson  
4 Willowdale  
Bendooragh  
BALLYMONEY BT53 7LT

***IT IS RECOMMENDED*** that a Mobile Street Trading Licence as applied for be granted.

It was proposed by Alderman Connolly, seconded by Councillor Patterson and **AGREED:**

***To recommend that Council grant a Mobile Street Trading Licence, as detailed above.***

## **BUILDING CONTROL**

### **330.21 MOBILE PHONE CONTRACT**

The present mobile phone contract is due for renewal on 30th June 2007. Four companies were asked to quote. Of the four companies quoting for the Councils business none would provide equipment free of charge. All companies have quoted a similar price for the phone presently most commonly in use, the Nokia 6021. With line rental credit/savings and service company credit, the estimated cost of the mobile phones to Council over a 24 month period comparing the Councils present supplier Cor-Tel (£3,120) and the lowest quotation received, that from Barclay Communications (£1,500) show that the lowest quote is approximately half the cost of the deal offered by Cor-Tel. The remaining companies were unable to provide quotes, which would allow comparison on a similar basis.

***IT IS RECOMMENDED*** that Council contract for a 24 month period with Barclay Communications, Grove House, 145-149 Donegall Pass, Belfast, for its mobile phone services and ***IT IS FURTHER RECOMMENDED*** that in that period any equipment be purchased on an as required basis.

At the request of Alderman Simpson, the Director confirmed that the quotation received was for 23 mobile phones in various locations

It was proposed by Alderman Campbell, seconded by Alderman Connolly and **AGREED:**

***to recommend that Council contract for a 24 month period with Barclay Communications, Grove House, 145-149 Donegall Pass, Belfast, for its mobile phone services and that, in that period, any equipment be purchased on an 'as required' basis.***

### **330.22 NAMING OF HOUSING DEVELOPMENT**

**8 Apartments and 2 Dwellings at Retail/Residential Development, Carncullagh Road, Dervock, Ballymoney for Mr Seymour Sweeney, The Old Barn, 6 Seaport Avenue, Portballintrae.**

The developer has written by letter requesting that Council name the above new housing development.

The name suggested by the developer for the residential units is “**Carncullagh Court**” (the new retail unit will be numbered onto Carncullagh Road).

The name is in accordance with the general policy that street names should have some connection with the local area in which they are located and therefore ***IT IS RECOMMENDED*** that Council approve the name “**Carncullagh Court**” for the residential part of the development.

It was proposed by Alderman Cousley, seconded by Councillor Patterson and **AGREED:**

*to recommend that Council approve the name “Carncullagh Court” for the residential part of the development.*

### **330.23 BUILDING CONTROL APPLICATIONS**

***IT IS RECOMMENDED*** that Council note the **Applications, Building Notices and Regularisation Certificates** as detailed in Appendix 1 to this report, which are in accordance with the requirements of the Building Regulations (NI) 2000.

It was proposed by Councillor McCamphill, seconded by Alderman Connolly and **AGREED:**

*that Council note the Applications, Building Notices and Regularisation Certificates as detailed in Appendix 1.*

## **MATTERS FOR INFORMATION**

### **ENVIRONMENTAL SERVICES**

#### **330.25 WASTE MANAGEMENT LICENCE EXEMPTION**

EHS has furnished Council with a copy of the exemption certificate and conditions in relation to an exemption application from T. O’Connell & Sons (under the provisions of the Waste Management Licensing Regulations (NI) 2003) covering activities at Ballymoney Showgrounds.

#### **330.26 CLEANSING OF BALLYMONEY PAY & DISPLAY CAR PARKS**

Agreement has been reached with Roads Service Parking Enforcement Unit for Council to resume the cleansing of Castle Street and Church Street Pay & Display car parks, week commencing Monday 21 May 2007.

Prior to this, Roads Service Parking Enforcement Unit had contracted National Car Parks (NCP) to deliver this service from 1 April 2007.

The agreement stipulates that the Council will cleanse the Pay & Display car parks twice weekly.

This agreement will be reviewed annually and is separate from the contract with the local Section Office to cleanse non-fee paying car parks in Ballymoney.

Councillor Robinson welcomed this agreement with Roads Service. The Director confirmed that this additional service is provided on a full cost recovery basis.

### **330.27 COMMUNITY RECYCLING CENTRES**

Ballybogey Community Recycling Centre became operational on Thursday 1<sup>st</sup> June and was officially launched by the Chair with associated press coverage. All partners are more than happy with the facility to date.

At the request of Councillor McKay, the Director advised that in respect of Rasharkin, Council is awaiting provision of banks. The Director will contact the supplier to ascertain when these will be delivered on site.

## **ENVIRONMENTAL PROTECTION**

### **330.28 THE AIR QUALITY STANDARDS REGULATIONS (NORTHERN IRELAND) 2007**

The Air Quality Standards Regulations (NI) 2007 complement various EU Directives, placing a duty on the Department of the Environment to assess the concentrations of each pollutant within each zone. The 2007 Regulations, which came into operation on 28<sup>th</sup> May 2007, replace the Air Quality Limit Values Regulations (NI) 2002 with the Air Quality (Ozone) Regulations (NI) 2003 and all relevant amending legislation.

## **FOOD CONTROL**

### **330.29 MISCELLANEOUS TRANSFERRED EXCISE DUTIES ACT (NI) 1972 – TESCO GAME LICENCE**

Notice has been given to Council by solicitors acting on behalf of Tesco Stores Limited, Castle Street, Ballymoney of their intent to apply on Friday, 7<sup>th</sup> July 2006, for a Certificate under Section 36 of the Miscellaneous Transferred Excise Duties Act (NI) 1972 authorising the issue of a licence to deal in game at their premises.

### **330.30 THE ADDITION OF VITAMINS, MINERALS AND OTHER SUBSTANCES REGULATIONS (NORTHERN IRELAND)**

The above Regulations, which come into operation on 7<sup>th</sup> August 2007, make provision for the execution and enforcement of Regulation (EC) No. 1925/2006 on the addition of vitamins, minerals and of certain other substances to foods.

## **DOG CONTROL**

### **330.31 PIT BULL AMNESTY**

The Borough Council's Pit Bull Amnesty started on 1<sup>st</sup> April 2007 ending on 31<sup>st</sup> May 2007. During this period one couple requested to have their dog examined. The dog was subsequently identified as a Staffordshire Bull Terrier cross. The expert who carried out examination was of the opinion that the dog was not a Pit Bull Terrier and that it did not display the characteristics of that type of dog.

On 21 May 2007 an impounded stray dog was also examined. This dog was also identified as a Staffordshire Bull Terrier cross. The dog was subsequently returned to its owner.

### **330.32 SEIZURE OF PIT BULL TERRIER**

On Thursday 14<sup>th</sup> June the department seized a Pit Bull Terrier dog after it had been positively identified as such by an expert. On Friday 15<sup>th</sup> June the dog was signed over by its owner to the Borough Council. As a result of this the dog was humanely put to sleep in the presence of its owner. The owner in this case had genuinely thought his dog was a Staffordshire Bull Terrier. No further action is to be taken regarding this matter.

## **HOME SAFETY**

### **330.33 TEMPORARY HOME SAFETY OFFICER JOB SHARE POSITION**

Walter Holmes has been appointed via Hays Recruitment Agency to the vacant Home Safety Officer job share position until the post is filled via the current recruitment campaign. Walter who has considerable experience as a health and safety officer will work across the three council areas (Ballymoney, Coleraine and Moyle) 2½ days per week. No additional expense will be incurred as a result of the appointment to any of the Councils involved. It is anticipated that the vacant post will be filled by 1<sup>st</sup> August 2007.

### **330.34 CHILD SAFETY WEEK**

The focus for Child Safety Week in June (week starting Monday 18<sup>th</sup> June) will be Trampoline Safety. Hazard House will be the setting for a summer safety scenario during the summer months. A Trampoline Safety – Parents Guide leaflet has been produced and circulated and will be forwarded to schools, leisure centre, health centres etc.

### **330.35 HAZARD HOUSE**

A training session for Hazard House volunteers was held on Monday 25<sup>th</sup> June. This two hour session gave new volunteers the knowledge and skills needed to help with guided tours around the house. Ten volunteers attended the training from Ballymoney, Coleraine and Moyle Councils.

### **330.36 NATIONAL FALLS AWARENESS DAY**

The Directorate will be promoting National Falls Awareness Day on Tuesday 26<sup>th</sup> June at Cramsie Court in Ballymoney. The aim of the Day will be to strengthen the message about falls and older people and to raise awareness of the potential hazards present inside and outside the home. All those attending will receive a free shoe horn.

## **COMMUNITY SAFETY**

### **330.37 TEMPORARY COMMUNITY SAFETY CO-ORDINATOR (MATERNITY COVER)**

Yvonne Loughrey, temporary Community Safety Co-ordinator (maternity cover) left the post on the 15<sup>th</sup> June 2007 to take up full time employment in the private sector. Cathy Watson, who is currently on maternity leave is due to return to work on the 6<sup>th</sup> August 2007. It is not proposed to recruit a further temporary officer to the post. Essential work will be completed on a priority basis by the Deputy Director of Borough Services in the interim.

Councillor Robinson extended thanks to the Deputy Director of Borough Services for his assistance during this interim period.

## **DIRECTORATE PROMOTION**

### **330.38 100<sup>TH</sup> BALLYMONEY SHOW**

The 1<sup>st</sup> and 2<sup>nd</sup> June 2007 saw the 100<sup>th</sup> Ballymoney Show at Ballymoney Showgrounds. The Directorate had a stand in the marquee with the aim of addressing two areas;

#### **1) Recycling and Composting**

Visitors were able to discuss composting with examples of compostable material, and final product, recycling and other waste reductions measures.

Literature, colouring sheets for children, pens made from recycled CD covers and pencils made from old denim were also given away.

#### **2) Food safety issues relating to picnics and barbeques**

In relation to food safety the stand highlighted the following National Food Safety Week themes:

- Safe Cooking of BBQ meats – a batch of sausage, burger and chicken was cooked correctly and another batch cooked incorrectly. The aim was then to get the public to visually choose which batch was cooked thoroughly. This proved more difficult than they thought.

- The proper way to pack a cool box – A cool box was packed correctly and another packed incorrectly and the public had to identify which was wrong and why.
- How well do you wash your hands? – this experiment was a particular success with both old and young. The aim was to identify how well they washed their hands and to highlight areas they would miss.

This was the first time the Directorate has taken the opportunity to use the show to raise publicity of its services and feedback from the public and those Officers who participated was excellent. It is hoped to repeat this in future years.

## BUILDING CONTROL

### 330.40 LIAISON MEETING – DOE PLANNING RESOURCE UNIT - OPTIONS ON FUNDING FOR IMPLEMENTATION OF CONTAMINATED LAND REGULATIONS

The Director advised members of correspondence sent to the Chief Executive on 18<sup>th</sup> June advising that The Planning Resource Unit of the Department of Environment have invited Council to send representative to a liaison meeting where issues and options for contaminated land in Northern Ireland will be discussed. The meeting will take place at Antrim Borough Council on Tuesday 3<sup>rd</sup> July from 2.00 – 4.00 pm.

It was proposed by Alderman Campbell, seconded by Alderman Cousley and **AGREED:**

*that the Chair and one other member together with Deputy Director and one other officer of Council attends.*

- \* Councillor Kennedy left the meeting at 8.36 pm

### 330.41 PLANNING/BUILDING CONTROL RESPONSES

#### **Apartment/Residential Developments (Intensification Of Use).**

The Directorate have received an increasing number of Planning Applications/Building Control Approvals for the above type of developments. In order to ensure consistency of responses to such consultations and requests from architects and developers, the following guidance has been produced with regard to refuse storage arrangements.

Adequate refuse storage arrangements should be provided to each of the dwellings. Ballymoney Borough council currently operates a kerbside wheeled bin refuse collection service for mixed waste and dry recyclables on an alternate week collection rota.

In order to meet stringent EU and National landfill diversion targets, a third receptacle for compostable waste is to be introduced. Consequently, adequate refuse storage arrangements for three receptacles (240Litre) must be provided for each individual dwelling.

As an alternative, a communal waste storage arrangement may be considered appropriate where it provides a minimum 60-litre storage capacity per occupant per type of waste, (household, recyclable and compostable). Such arrangements will only be considered satisfactory where an appropriate management contract is in place in relation to the development. **This will be requested as a condition to any permission should the application be considered for approval.**

A communal refuse storage facility should consist of a secure area, on a hard standing laid to falls with appropriate drainage.

A readily accessible water supply should be provided so that the area may be washed down.

It shall be no more than 30 metres from any dwelling. A readily accessible water supply shall be provided so that the area may be washed down. It shall be necessary to comply with current Building Regulation requirements.

Collection of containers will only be made from the nearest adopted public road. Consideration should be given to where these will be presented so as not to obstruct or cause a hazard to pedestrians or other road users.

The applicant is asked to provide full details of refuse storage and collection arrangements to the Borough Services Directorate of the Borough Council for approval so as to ensure they do not give rise to public health/health and safety concerns.

- \* **Alderman Campbell left the meeting at 8.52 pm.**
- \* **Councillor McKay left the meeting at 9.00 pm.**

Following debate, the Director responded to members' questions. A discussion ensued relating to the need for Planning Service to give due consideration of the impact of the developments of 'brownfield' sites and the servicing of same in respect of waste collection and disposal. It was suggested that a Policy paper be drafted for consideration with respect to refuse storage and collection arrangements for apartment/mixed use developments, to be available for the August committee meeting.

### **330.42 PURCHASE OF LITTER BINS**

Councillor Robinson requested members to give consideration to the purchase of a 'enhanced specification' litter bin to be placed within selected areas of Ballymoney town, so that the matter may be discussed at the August Committee meeting.

**This being all the business, the meeting closed at 9.15 pm.**
