Committee Clerk

348.1 MINUTES – MEETING NO 348 – 24TH MARCH 2009

It was proposed by Alderman Campbell, seconded by Alderman Connolly and
AGREED:

that the minutes of meeting No 348 on 24th March 2009 be confirmed as a correct record.

MATTERS FOR CONSIDERATION**ENVIRONMENTAL SERVICES****349.2 RASHARKIN CRISP ENVIRONMENTAL IMPROVEMENT SCHEME**

It is pleasing to report that the above Scheme, which Council agreed to deliver on behalf of Rasharkin Community Association, is now substantially complete.

Recently, however, Rasharkin Community Association has written to Council regarding certain village litter bins. The letter dated 3rd April plus photograph received were circulated.

Committee is asked to consider the request made and make a recommendation to Council.

At the meeting the Director advised that the cost of cast iron bins, the type mentioned in the letter from the Community Association, would be exorbitant and such expense was not something Council had budgeted for. He stated that as the matter was time critical and in order to fit in with the proposed timescale for finishing the footpaths in the scheme area it would be possible to replace three litter bins ex stock and **RECOMMENDED** that this be done and the Community Association so advised. Members were also advised that this provision would use up half of the available litter bin budget for 2009-2010.

It was proposed by Councillor Cavlan, seconded by Councillor McCamphill and **AGREED:**

to recommend that three new litter bins be provided replacing those in the CRISP Scheme area and that the Director write to Rasharkin Community Association advising it of this.

ENVIRONMENTAL PROTECTION

349.3 WATER (NI) ORDER 1999: EFFLUENT CONSENT APPLICATION

NIEA Water Management Unit has advised that it has received the undernoted application –

<u>Applicant</u>	<u>Location</u>
Richard McConaghy	218 Castlecat Road, Derrykeighan, Ballymoney.

In that NIEA will set levels as to the quality of effluent to be discharged to a waterway, **IT IS RECOMMENDED** that Council note the application.

It was proposed by Alderman Connolly, seconded by Alderman Campbell and **AGREED:**

to recommend that Council note the application.

349.4 POLLUTION PREVENTION & CONTROL (NORTHERN IRELAND) REGULATIONS 2003

TOBER RECYCLING, 71 TOBER ROAD, DUNLOY, BT44 9BG.

An application has been received to operate a furnace for the extraction of non-ferrous metal from scrap at the above address. A permit has been prepared, and was circulated to members, having considered the information contained in the Process Guidance Note PG No. 2/1 (04) relevant to the operation. The operator and statutory consultees have had the opportunity to consider the conditions contained within the permit and make comments.

IT IS RECOMMENDED that approval be granted for the permit of a prescribed process to the operator of the business in the form contained in the proposed permit, together with supporting plans and documents and that the annual subsistence fee be applied pro rata as required by statute.

It was proposed by Alderman Connolly, seconded by Councillor Cavlan and **AGREED:**

to recommend that Council grant approval for the permit of a prescribed process to the operator of the business in the form contained in the proposed permit, together with supporting plans and documents and that the annual subsistence fee be applied pro rata as required by statute.

FOOD CONTROL

349.5 FOOD SERVICE PLAN 2009-2010

A Borough Food Service Plan, as circulated, has been devised for the period 1st April 2009 to 31st March 2010. It includes information on service provision, performance targets and standards, and incorporates a review of the period 2008-2009.

IT IS RECOMMENDED that Council adopt, publish via the Council's website and implement the Borough Food Service Plan 2009-2010.

It was proposed by Councillor McCamphill, seconded by Alderman Connolly and **AGREED:**

to recommend that Council adopt, publish via the Council's website and implement the Borough Food Service Plan 2009-2010.

HEALTH & SAFETY

349.6 BOROUGH HEALTH & SAFETY PLAN 2009-2010

A Borough Health & Safety Plan, as circulated, has been drawn up for the period 1st April 2009 – 31st March 2010. It includes information about the Councils enforcement service and its corporate health and safety responsibilities, performance targets and standards, together with review and reporting mechanisms.

IT IS RECOMMENDED that Council adopt, publish via the Council's website and implement the Borough Health and Safety Plan 2009-2010.

Councillor Robinson referred to the importance of staff development and training in the workplace and requested clarification on training and costs. The Director advised that training is provided on an annual basis to delegated, competent officers with regular updates provided and that costs can be met from existing budgets.

It was proposed by Councillor Cavlan, seconded by Alderman Campbell and **AGREED:**

to recommend that Council adopt, publish via the Council's website and implement the Borough Health and Safety Plan 2009-2010.

349.7 PETROLEUM (REGULATION) ACTS (NORTHERN IRELAND) 1929 AND 1937 PETROLEUM SPIRIT LICENCE (RENEWAL)

Application has been received for the renewal of petroleum spirit licence as follows: -

<u>Premises</u>	<u>Applicant</u>
Bushview Filling Station 58 Coolkeeran Road BALLYMONEY BT53 8XN	Mr Shane McMahon

The renewal of licence as detailed above is **RECOMMENDED** subject to the receipt of a satisfactory electrical test certificate.

It was proposed by Alderman Connolly, seconded by Councillor Cavlan and **AGREED:**

to recommend renewal of licence as detailed above.

349.9 CONSULTATION ON THE DRINK DRIVING LIMIT IN NORTHERN IRELAND, PENALTIES AND POLICE POWERS TO DETECT DRINK DRIVERS.

By virtue of the above Consultation the DoE is seeking the Council's views on a range of proposed measures aimed at deterring people from drinking and driving. The current legal blood alcohol content limit applicable to all drivers in Northern Ireland is 80mg of alcohol per 100ml of blood. The penalties for exceeding this limit range from a minimum 12 month driving disqualification up to 14 years imprisonment and unlimited fines. There are higher penalties for high risk offenders.

The consultation paper assesses the impact of drinking and driving, both in terms of the effect of alcohol on driving ability and the deaths and injuries caused by drink driving in Northern Ireland. It considers the need for change, reports on the

outcomes of alternative approaches in other jurisdictions and proposes changes to our current legislation to tackle our problems.

The Consultation Executive Summary together with the Feedback Questionnaire was circulated to members.

The closing date for consultation responses is 31st July 2009.

Committee is invited to make **RECOMMENDATIONS** to Council as the DoE Consultation on the Drink Driving Limit in Northern Ireland, Penalties and Police Powers to Detect Drink Drivers.

Members considered how they might respond to the consultation document taking into consideration that the Borough Road Safety Committee and the DPP may also have views on the issue, and also the fact that members may wish to make a party and/or individual response.

It was proposed by Alderman Campbell, seconded by Alderman Connolly and **AGREED:**

to recommend to Council that the views of the Borough Road Safety Committee and the DPP be sought, that members would be made aware of the consultation so that by the date of its June meeting would be in a position to formulate a suggested response for Council.

EMERGENCY PLANNING

349.14 ELECTED MEMBERS – YOUR ROLE IN CIVIL PROTECTION 11TH MAY 2009

The above course is being offered by Emergency Planning Solutions on behalf of the Emergency Planning College. The aim of the course is to develop elected members' awareness of civil protection issues and obligations under the Civil Contingencies Act and the NI Civil Contingencies Framework and outline their community leadership role in preparing for responding to and recovering from emergencies (4 members have previously been nominated to attend this course: Ald. Simpson, Cllrs. Robinson, Cavlan and McCamphill).

IT IS RECOMMENDED that nominations be sought for two further members to attend with the fees being paid for from the current emergency planning budget.

It was proposed by Alderman Campbell, seconded by Councillor McCamphill and **AGREED:**

to recommend that Alderman Cousley and Alderman Connolly attend.

COMMUNITY SAFETY

349.15 FUTURE ARRANGEMENTS FOR LOCAL PARTNERSHIP WORKING ON POLICING AND COMMUNITY SAFETY

Minister of State for Northern Ireland, Paul Goggins, has issued a document on the future delivery of CSP and DPP functions. The paper recognises that both partnerships have contributed greatly to improvements in public confidence, police effectiveness and community safety but that the time is now right to plan to maximize opportunities presented by the RPA changes.

The consultation paper sets out a brief background to the current CSP and DPP arrangements, the rationale for review and identifies three options with a short critique of each. The options put forward are as follows: -

- (1) To continue as at present with CSP's and DPP's operating at District Council level;
- (2) To maintain both CSP's and DPP's rationalising some of the duplicate functions, and bringing administration of the two partnerships together;
- (3) To create an integrated partnership responsible for all the current functions of CSP's and DPP's.

The latter option is the Government's clear preference, claiming that the integrated model would bring together engagement and delivery, allowing the needs of local communities to be better met and thereby enhancing public confidence in the police and other justice agencies. It would allow Councils to demonstrate civic leadership given the foremost concern in neighbourhood surveys is safety and it would place policing and community safety to the fore in anticipation of the introduction of community planning. It would also allow a larger share of available resources to be targeted on projects and initiatives that could make a difference at local level rather than administration and it would fully align planning, monitoring and engagement activities.

A summary of the procedure to create integrated partnerships is listed in Annex A. The main questions to the consultation paper are provided in Annex B and a possible model set out in Annex C. The reports were circulated for Members information. Responses have been sought by Thursday 30th April 2009. The next scheduled meeting of the Community Safety Partnership is Wednesday 6th May 2009.

There is merit in supporting the principle of an integrated approach, which has the potential to increase efficiency and effectiveness. Clearly any new administration (post RPA) would wish to comment on the final functions, accountabilities and structures put in place and will be dependent upon the resources made available to it. A further consultation would be welcomed to agree outline proposals and options that may be presented to an incoming devolved Minister. Should Members wish to reply directly comments should be sent to: Future Partnership Working Consultation, Community Safety Unit, 4th Floor Millennium House, Great Victoria Street, Belfast, BT2 7AQ or msp-dppconsultation@nio.x.gsi.gov.uk. It is intended to advise the NIO that the matter will be considered by the Community Safety Partnership at their next meeting and a response submitted thereafter.

The Director advised that as the consultation period had been extended to the end of May he would **RECOMMEND** that the matter now be placed on the agenda for Council's Consultation Committee meeting on 18th May, as this would enable Council, when making its response, to take into account both the views of the CSP and DPP, both partnerships meeting in May.

It was proposed by Councillor McCamphill, seconded by Alderman Cousley and **AGREED:**

to recommend that the consultation be placed on the agenda of the Council's Consultation Committee to be held on 18th May 2009.

BUILDING CONTROL

349.16 BUILDING CONTROL APPLICATIONS

IT IS RECOMMENDED that Council note the **Applications, Building Notices and Regularisation Certificates** as detailed in Appendix 1, which are in accordance with the requirements of the Building Regulations (NI) 2000.

It was proposed by Councillor McCamphill, seconded by Councillor Cavlan and **AGREED:**

to recommend that Council note the Applications, Building Notices and Regularisation Certificates as detailed in Appendix 1.

349.17 TEXTILE RECYCLING

The Director advised members of correspondence received relating to textile recycling.

It was proposed by Councillor Cavlan, seconded by Councillor McCamphill and **AGREED:**

that this business be referred to the NILAS Working Group for consideration,

349.18 CIVIC AMENITY SITE WASTE RECOVERY

The Director advised that correspondence had recently been received from the company which dealt with the Council's CA Site waste advising of its revised gate fee for 2009-2010. He stated that on the basis of the tonnage projections used for Rates Estimates purposes the increase applied would lead to a budget overspend of £7,500. He asked that Council note this. He further recommended that the NILAS Working Group meet prior to the May Committee meeting to discuss the progress being made as regards Council meeting its NILAS targets.

It was proposed by Alderman Campbell, seconded by Councillor McCamphill and **AGREED:**

that the possible budget overspend be noted and that the NILAS Working Group meet at a date to be agreed at Council's meeting on 5th May.

- * **Alderman Connolly left the meeting at 8.45 pm.**

349.19 SERVICES PROVIDED ON PUBLIC HOLIDAYS

The Director placed in front of Committee a schedule detailing the proposed Public Holiday Arrangements 2009-2010 [see Appendix 2]. He intimated that normal service would apply on 10 out of the 12 dates, the exceptions being '12th July' [the actual holiday being Monday, 13th July] with that day's collection being made the preceeding Saturday, 11th July and Christmas Day when Squad E would uplift the missed Friday collections on various dates as listed. He **RECOMMENDED** that the proposals be adopted.

Committee then debated the present working arrangements for public holidays and considered whether the long standing practice of trying to minimise disruption to householders by having refuse collection crews work public holidays ought to be changed in order to reduce service costs. There was consensus that the service operated as regards the collection of household waste worked very well and ought to be retained without change.

It was proposed by Alderman Campbell, seconded by Councillor McCamphill and **AGREED:**

to recommend to Council, the proposed working arrangements for public holidays in 2009-2010.

- * **Alderman Simpson left the meeting during the discussion at 9.03 pm.**

Councillor Robinson was pleased to note the downturn in waste to landfill of almost 12% over the year.

ENVIRONMENTAL PROTECTION

349.21 CONSULTATION PAPER ON DRAFT REVISED NIEA ENFORCEMENT POLICY

The NI Environment Agency has issued a consultation paper on its draft revised enforcement policy which will apply to enforcement activity across the Agency. The purpose of the policy is to demonstrate the Agency's more balanced approach to regulation and enforcement as advocated by the Government's Better Regulation Programme.

Comments have been invited by 22nd June 2009.

NIEA states that a further consultation is planned for Autumn 2009 to take into account the responses from this initial consultation and the outworking of the new Environmental Crime Unit.

No comments were offered.

349.22 CONSULTATION ON THE ENVIRONMENTAL LIABILITY (PREVENTION AND REMEDIATION) REGULATIONS (NORTHERN IRELAND) 2009

The DOE Planning and Environmental Policy Group has issued a consultation (dated 25th March 2009), seeking views on the proposed new Regulations to transpose the Environmental Liability Directive (2004/35/EC). The main aim of the Regulations is to impose obligations on operators of activities which cause or threaten to cause environmental damage. Environmental damage is defined by the Regulations and generally includes only the more serious damage to certain species and habitats, water and land.

Responses have been sought by 21st May 2009

No comments were offered.

349.23 NI WATER LIMITED: PPC PERMIT APPLICATION

Documentation has been received from the NI Environment Agency on 17th April 2009 regarding a PPC Permit Application on behalf of NI Water Limited for a WWTW Sludge Thickening Plant at Glenstall, Ballymoney.

The NIEA letter poses a number of questions primarily within the Councils environmental health remit and asks that a written response be made no later than 18th May 2009.

It is anticipated that the response sought will be made within the deadline set by NIEA.

No comments were offered.

349.24 SLIEVEANORRA AND CROAGHAN AREA OF SPECIAL SCIENTIFIC INTEREST NOTIFICATION UNDER ARTICLE 28 OF THE ENVIRONMENT (NORTHERN IRELAND) ORDER 2002

The DoE (NIEA) has advised that the Department has made a declaration that the area delineated and described on the map, as circulated, is an Area of Special Scientific Interest. A copy of the 'Declaration' was also circulated for Members' benefit. The Department has advised that should Council wish to make representations or objections to this declaration, then same must be made in writing by 15th July 2009.

During discussion, Alderman Connolly raised issues which local farmers had regarding the proposed ASSI management measures as regards – winter stock numbers, drainage ditch cleaning, heather burning and the rights to cut turf.

The Director advised Members that as Council wished to see present walking access to Croaghan retained the issue in respect of designation would also feature on the agenda of the May Leisure and Amenities Committee meeting. He suggested that thereafter a co-ordinated proposed response could be prepared. This was accepted.

WASTE MANAGEMENT INFORMATION

349.25 CONSULTATION DOCUMENT – PROPOSALS FOR A WASTE BILL

The DoE has, this month, published a consultation paper seeking views on proposals planned for inclusion in a forthcoming Waste Bill. The proposals relate to –

- Changes to the existing legislative framework for waste management and contaminated land in Northern Ireland.
- Additional legislation relating to local government contracts for waste management.
- Enabling legislation for a Single Waste Disposal Authority.
- Minor amendment to the Producer Responsibility Obligations Order 1998.

Comments in relation to the Consultation Paper are invited by 3rd July 2009.

It was agreed that this item would again be considered at the May meeting of Committee following consultation with the NWRWM Group.

349.26 NWRWM GROUP JOINT COMMITTEE MINUTES

The Minutes of the North West Region Waste Management Group Joint Committee held on 4th March 2009 were circulated for members' information.

FOOD CONTROL

349.27 THE AQUATIC ANIMAL HEALTH REGULATIONS (NORTHERN IRELAND) 2009

The above Regulations have been brought in by DARD to implement EC Directive 2006/08/EC. They came into operation on 27th March 2009.

The key aim of the Regulations is the prevention and control of serious fish disease and they update the existing regime established by Council Directive 91/67/EEC by providing for more transparent regulation and control systems, including a public register of authorised production businesses, the implementation of a risk based surveillance scheme at fish farms, requirements in relation to the transport of aquaculture animals, controls on movements of potential vector and susceptible species and measures for the control of listed diseases and emerging diseases in aquaculture animals.

The main new feature of the Regulations is the requirement that businesses which handle aquaculture animals (i.e. fish farms and other operations handling live fish) are required to be authorised by the competent authority and put and take fisheries and non-commercial installations must be registered.

HEALTH & SAFETY

349.28 HEALTH & SAFETY NEW LEGISLATION

Members are asked to note that by virtue of the Health and Safety (Fees) Regulations (Northern Ireland) 2009, which came into operation on 27th April 2009, the fees relating to applications for petroleum spirit licences, effective from that date are as undernoted:-

349.32 SMOKE FREE LEGISLATION IN NORTHERN IRELAND: A ONE YEAR REVIEW

30th April 2007 was a landmark day for the people of Northern Ireland. As the DHSSPS Minister – Michael McGimpsey, states in his foreword to the report: “Smoke Free Legislation in Northern Ireland: A One Year Review” – “It was on this day that we took a huge step forward in protecting the population from the harmful effects of second-hand smoke”.

The Review (March 2009) Executive Summary was circulated for members’ information.

349.33 LBRO PRIMARY AUTHORITY GUIDANCE

LBRO (Local Better Regulation Office), which deals with making local regulations more consistent across the UK, launched its Primary Authority Guidance this month.

With the commencement of Primary Authority (under the Regulatory Enforcement and Sanctions Act 2008 and its associated Orders), for the first time companies

have the right to form a statutory partnership with a single local authority, which then provides robust and reliable advice to other Councils, need to take into account when carrying out inspections or dealing with non-compliance. The concept gives a fresh means of applying environmental health, licensing and trading standards legislation that is still linked to area priorities, but co-ordinated more widely.

HEALTH & WELL BEING

349.34 BALLYMONEY BOROUGH COUNCIL EMPLOYEE HEALTH FAIR, 24TH MARCH 2009

A health fair was held on 24th March 2009 in the Joey Dunlop Leisure Centre for the benefit of all employees on Ballymoney Borough Council. Twenty exhibitors attended the event providing staff with a wide range of information on health and well-being issues. Taster sessions on reflexology and chiropody were also provided. The health fair was well attended and feedback from the event was very positive.

As a follow up to the health fair the Action Cancer Big Bus will be at the Joey Dunlop Leisure Centre for Ballymoney Borough Council staff on 29th April 2009.

EDUCATION

349.35 CAREERS AND HIGHER EDUCATION CONVENTION, BALLYMONEY TOWN HALL, 2ND APRIL 2009

Ballymoney Learning Community held a careers event based on the theme of "employability skills". Environmental Health Officers presented a stand at this event giving information and advice on all aspects of environmental health work in local councils. Approximately 600 pupils from the three post primary schools attended along with over 50 representatives from third level education, business and industry.

BUILDING CONTROL

349.36 WORKING ARRANGEMENTS

In order to give effect to the savings required by Council in the current year, it has been necessary to introduce changes in working arrangements which have been and are being notified to service users. A full reception service is being operated each working day between 9.00am and 10.30am.

The meeting closed at 9.25 pm.
