333.3 JOEY DUNLOP LEISURE CENTRE – PRICING POLICY 2007

The proposed pricing policy for the Joey Dunlop Leisure Centre, effective from 1st September 2007 was circulated.

The Director of Central & Leisure Services advised that, whilst prices have been increased in the region of 5%, they still remain very competitive with facilities of a higher standard than in other areas,

Prices for the use of the newly refurbished Health Suite were agreed in May and have not been further increased. Charges for tennis court use have remained unchanged from last year due to the facility only opening this year.

It was **RECOMMENDED** that the pricing policy for 2007/08 be adopted.

It was proposed by Alderman Connolly, seconded by Councillor Robinson and **AGREED**:

to recommend that the pricing policy for Joey Dunlop Leisure Centre, effective from 1st September 2007, attached as Appendix A, be adopted.

333.4 JOEY DUNLOP LEISURE CENTRE – HEALTH SUITE

The Director of Central & Leisure Services advised that following practical completion of the new health suite, a Health & Safety review was carried out which raised a number of issues. These issues are now being addressed and Council's Consultants have advised that any work to be carried out after the facility is open for use will be undertaken during night time hours to prevent further disruption to patrons.

It was proposed by Alderman Connolly, seconded by Councillor Robinson and **AGREED**:

to recommend that the Director of Central & Leisure Services issue the Safety Review Report to the Councils Consultants and request written proposals to address the issues contained therein and the timescale involved for the works.

Members took the opportunity to view the new facilities and were all in agreement that this will be a first class development when the contract issues have been resolved.
