

## Menu Competition

*So you think you're pretty hot stuff in the kitchen. Well, we want to put you to the test and see if you can design your very own "Naturally North Coast" menu.*

Because we want to showcase the finest natural foods that the North Coast area has to offer, we're challenging you to come up with a special local menu or product that contains at least 60% of local produce.

If you're a Restaurant, Pub or Coffee Shop located in the Moyle, Ballymoney, Coleraine or Limavady area, just create the recipes for your dream courses or food product that contain at least 60% local produce. The 'Naturally North Coast' competition is free to enter and will run during the months of August to September.

If you have what it takes to woo our mystery judges, you'll be presented with a special award which will be announced at the 'Naturally North Coast' 2010 gala awards to be held in October 2010.
