Dear Resident,

We all want to make our community a safer place to live. Most residents want a peaceful life; working, studying and enjoying time with their family and friends.

**Don't let others spoil it.** If you have information about **anyone involved in criminal activity and you want to tell the police but remain anonymous, Crimestoppers can help.** They will pass information to the police and no-one can trace it back to you. You won't have to go to a police station, sign a statement or go to court.

You can call **Crimestoppers on 0800 555 111.** **Your call will be anonymous,** no-one will ever know you called, Crimestoppers only wants to know what you know not who you are. They won't ask your name, there is no caller ID and the number will not show up on your phone bill.

**Crimestoppers is an independent charity and not the police.**

With your help we can all make our community a safer and more pleasant place to live.
