356.1 MINUTES – MEETING NO 355 - 22nd DECEMBER 2009**Matters Arising:****1.1 Scores on the Doors (356.16)**

The Director advised that he had not progressed a funding application to the FSA as an 'early adopter' regarding its proposed Scores on the Doors Scheme in accord with the previous Committee/Council decision as the FSA were currently unable to confirm funding for the substantive cost of scheme implementation in 2010-2011. He also advised that it was hoped that all NI district councils could support a single scheme and that this was not the position at present. Members agreed that the Director had been prudent in not committing Council to a Scheme in the absence of FSA confirmation as to its funding in 2010-2011.

1.2 Adoption of Minutes

It was proposed by Alderman Connolly, seconded by Alderman Campbell and **AGREED:**

that the minutes of meeting No 355 on 22nd December 2009 be confirmed as a correct record.
