

Why contact a Councillor?

The simple answer to this is because the citizens of Ballymoney borough voted for them. A councillor can make a difference in your locality as he/she represents your interests in a direct role where the Council is responsible for certain services eg refuse collection, street cleaning, leisure facilities, etc.

He/she also plays a **representative role** where they sit as representatives on various statutory bodies such as, Education & Library Boards and Health & Social Services Boards.

He/she also has a **consultative role** through which they reflect the view of their communities on the operation of other services such as - Planning, Roads and Housing.

Decisions and consultations that are made by the Council have a great deal to do with the individual lives of its citizens. The Council is interested in the overall economic, cultural and physical well-being of the community.

Ballymoney has 16 councillors representing the Borough Council area. The Borough Council area is comprised of 3 district electoral areas. These are Ballymoney Town, Bann Valley and Bushvale with Councillors elected from each of these areas.

If you are unsure which district electoral area you live in you can check this by contacting Electoral Registration.
